

# Praying and Praising God from A to Z.

by Larry Smith — Pray Big Ministries — 6/16/03

We have a simple way of *Praising God from A to Z*, that is a childlike game even adults will love. I am sure God smiles when we praise Him using the alphabet. Try it in your personal time alone with God, in youth meetings, adult classes or at your prayer team meetings.

It is quite simple and during the process people learn how to praise God for an extended time and really enjoy it. You will smile. You may cry.

Here is how *Praising God from A to Z* works. Begin praising God using the letter A. Alternate between those praying, and go on as long as you can using words that relate to one letter. Usually the leader will sense when to go to the next letter. This is a lot of fun and you will wish you had someone to record what is shared.

Every time you do it, you will be amazed at the wonderful, sometimes very-creative praises offered to God. In a group of ten people this could easily last for 30 to 40 minutes. (Have fun with x and z.)

## ***Getting started.***

First, explain to everyone what you plan to do. Praising God while going through the alphabet. You will start the time. Maybe go through the letter A as a trial run, so everyone gets the hang of it then as you direct go to the next letter.

## ***How is a sample of how it would work:***

### The letter A:

God you are awesome  
You are the Alpha and Omega  
You are my Abba Father  
You are my all in all  
I adore You  
You are the apple of my eye  
My allegiance is to You  
You are the Almighty God  
You answer prayers  
You are the anointed one  
You are able to do all things  
You were afflicted for my sins

### Now let's do the letter B:

You are beautiful  
You are benevolent  
You are the Beginning and the end  
Your creation is breath-taking  
You bore my sin  
You are the air I breath  
You are the best  
Blessed is your name
